Nathalie Stutzmann had always dreamed of leading her own chamber orchestra, and the creation of the Orfeo 55 ensemble in 2009 finally made her dream come true: in parallel with her career as an exceptional contralto, and more recently a second career as an extremely promising guest conductor.

Leading Orfeo 55, Nathalie Stutzmann has imposed her musical rigour, her expressive freedom and all the emotional intensity which have contributed to her reputation as a singer and orchestra conductor. Strengthened by the success of their debut recordings *Prima Donna*, *Une Cantate imaginaire* and *Heroes from the Shadows*, as well as their tours in France and abroad, Orfeo 55 has already come to the fore of the music scene as an orchestra of great talent.

“

Thanks to your donations, Orfeo 55 musicians can work in better conditions to serve music with all our hearts, give you joy and make you dream.

How your support helps...

Thanks to your generosity, you can help supporting a young orchestra of international level.

As subsidies and partnerships are scarce today, the future of Orfeo 55 and Nathalie Stutzmann's unique artistic approach as both contralto and conductor depend on donations and subscriptions to Eurydice 55.

- Facilitate the musicians' everyday life with the purchase of equipment
- Promote Orfeo 55's musical recognition by the payment of broadcasting rights
- Make the orchestra known to the public (development and enrichment of Orfeo 55 website, promotion on social media, distribution of flyers ...)
